Cut through the competition with sharper analytical skills.

Principles of Life Reinsurance

COURSE SUMMARY

This two-day program provides a detailed examination of the role Life reinsurers play in the insurance industry and their impact on the operations of primary insurers. Look closely at the different types of reinsurance contracts, risk factors, and regulatory requirements and begin to study alternative risk transfer and capital market strategies through a blending of discussion with exercises based on actual financial filings.

Discount Policy Participants who register by the early registration deadline, or who register with one or more colleagues for the same session, or who register for more than one course at the same time are eligible for additional discounts. Please call (877) 299-9424 for details.

Cancellation Policy Courses will be refunded in full (less a \$200 administrative fee) until 30 days prior to the course start date. Courses will be refunded at 50% 16-29 days prior to the course start date. We regret that no refunds may be granted fewer than 16 days prior to the course start date. Participants unable to attend a course for which they have registered are welcomed to send a replacement from their companies. Highline Data does not accept any responsibility for covering airfare, hotel, or other expenses incurred by participants. Highline Data reserves the right without further liability to cancel a program at any time, in which case all course fees will be refunded.

Transfer Policy Participants who wish to change their originally registered course to another course date or topic area will be allowed to do so, room permitting. Every course change will incur a \$200 administrative fee. Excluded from this fee are participant substitutions from the same company for the same course date.

Accommodations Participants are responsible for making their own transportation and hotel arrangements. For hotels in close proximity to our venues, please call 877-299-9424.

Questions For more information regarding our administrative policies such as concerns and refund, please contact our offices at 877-299-9424 or email crogers@highlinedata.com.
